

## Sportswear Shop Risk Assessment Checklist

- Properly displayed sportswear avoiding trip hazards.
- Regular quality checks on all products.
- Clear and correct pricing on all items.
- Safe and clean fitting rooms.
- Non-slip flooring throughout the shop.
- Accessible fire extinguishers and alarms.
- Staff training on product knowledge and customer service.
- Secure storage for high-value items.
- Routine shop cleaning to maintain hygiene.
- Clearly marked emergency exits.
- CCTV monitoring for security.
- Clear returns and exchange policy.
- First aid kit available and accessible.
- Stable product displays that don't pose a risk of toppling over.
- Regular stock rotation to ensure freshness and quality.
- All products have clear and correct labels and size info.
- Staff wear identifiable uniforms for easy recognition.
- Proper ventilation in the shop, especially during summer months.
- Hygienic changing rooms with regular cleaning.
- Appropriate lighting in all areas of the shop.
- Multiple secure payment options for customers.
- System for collecting and acting on customer feedback.
- Fitting rooms have safety features (e.g., no sharp edges).
- Shop layout is accessible for individuals with disabilities.
- Safe areas designated for trying out sportswear or equipment.
- Rest areas for staff and seating for customers available.
- Price tags are securely attached to prevent choking hazards.

Please remember: these are minimum precautions only and you should check with local regulations; and possibly industry experts; to ensure that you keep safe and stay within the law.
